NOMINATION AND REMUNERATION POLICY

Purpose

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Devine Impex Limited.

Policy Statement

We have a well-defined Compensation policy for Directors, Key Managerial Personnel and all employees, including the Chairman, Presidents and other Members of the Executive Board who are employees of the Company.

The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee(NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act, 2013 and Clause 49 of the Listing Agreement with Stock Exchanges and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolutions passed from time to time.

Executive Directors:

The remuneration to Chairman & Managing Director and Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

Key Managerial Personnel (KMPs)

The terms of remuneration of Chief Financial Officer (CFO) shall be determined by the Audit Committee from time to time.

The terms of remuneration of the Company Secretary shall be finalised/revised either by any Director or such other person as may be authorised by the Board from time to time.

The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities.

Pursuant to the provisions of section 203 of the Companies Act, 2013 the Board shall approve the remuneration at the time of their appointment. The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Employees

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For all employees from Operational to Executive and, we benchmark with a set of comparators from the same industry.
- b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity of grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company and subject to the compliance of the applicable statutes and regulations.

MANAGEMENT DISCUSSION AND ANALYSIS

I) INDUSTRY STRUCTURE & DEVELOPMENT:

The gems and jewelry industry has an important role in the Indian economy. India has the distinction of being one of the first countries to introduce diamonds to the world. India is the largest market for gold jewelry in the world. Gold dominates the Indian jewelry market and formulates almost 80 per cent of the market share, which is followed by fabricated studded jewelry including diamond and gemstones. India has emerged as the largest cutting and polishing industry for diamonds in the world

(II) OPPORTUNITIES, THREATS AND RISKS:

India is one of the largest exporters of gems and jewelry. India is the diamond polishing capital of the world as highly skilled work force is available in India at very low cost. Besides this India is the most technically equipped country for the polishing of the diamond and other precious metals.

But of lately there are few policies which have been introduced by the Govt because of which this sector was felt some unrest. Besides this the rise in inflation has shrunked the purchasing power of the consumer. The political uncertainty has also shown its adverse impact on the industry.

III) OUTLOOK :

India possesses world's most competitive gems and jewellery market due to its low cost of production and availability of skilled labour. Currently, the industry is growing at a tremendous rate on the back of growing demand and increasing consumer preference. With various government efforts and incentives coupled with private sector initiatives, Indian gems and jewelry sector is expected to grow at a CAGR of around 13% during 2011 - 2014. At present, Indian gems and jewelry market is dominated by the unorganized sector; however, the trend is set to change in near future due to the growing acceptance of branded jewellery market.

(V) INTERNAL CONTROL SYSTEM:

The company has effective and adequate internal control system. All the assets of the Company are properly safeguarded and used to their optimum capacity. The system is reviewed and updated by the management periodically. The finding and suggestions of internal control are reviewed by the Board of Directors & Audit Committee and they make sure that internal controls are properly complied with.

(VI) HUMAN RESOURCES AND INDUSTRIAL RELATION:

The company is maintaining very cordially relations with all concerned people. With the change in management, new faces have been inducted in the company. Recruitments have been done as per the requirement. The relations with banks and other statutory departments are also very cordial.

INDEPENDENT AUDITORS' REPORT

To the Members of
DEVINE IMPEX LIMITED

1. Report on the Standalone Financial Statements

We have audited the accompanying financial statements of **DEVINE IMPEX LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

2. Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

4. Opinion

In our opinion and to the best of our information and, according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view, in conformity with the accounting principles generally accepted in India:

Annexure "B" to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **DEVINE IMPEX LIMITED** ("the Company") as of 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of the Management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets, that could have a material effect on the financial statements.

Inherent Limitations Of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedure may deteriorate

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

DEVINE IMPEX LIMITED

SIGNIFICANT ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION OF ACCOUNTS

These financial statements are prepared in accordance with the Indian Generally Accepted Accounting Principles (GAAP) under the historical cost conventions on the accrual basis. GAAP comprises mandatory Accounting Standards as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Act (to the extent notified) and the guidelines issued by the Securities and Exchange Board of India. Accounting policies have been consistently applied except where a newly accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

1.2 USE OF ESTIMATES

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

1.3 FIXED ASSETS AND DEPRECIATION

- (a) Fixed Assets have been stated at original cost, inclusive of inward freight, incidental expenses related to acquisition, financing cost till commencement of commercial production and related pre-operative expenses, less depreciation, while arriving at original cost.
- (b) Depreciation is provided on straight line method based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

1.4 IMPAIRMENT OF ASSETS

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

1.5 ACCOUNTING FOR GOVERNMENT GRANTS

Government Grants related to specific fixed assets are accounted for on receipt basis. Grants received are deducted from the gross value of fixed assets concerned in arriving at their book value.

Grants related to specific expense are booked on accrual basis and deducted from the related expense.

1.6 BORROWING COSTS

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the statement of Profit and Loss.

1.7 FOREIGN CURRENCY TRANSACTIONS

- (a) Foreign currency transactions are recorded on initial recognition at the rate prevailing on the date of the transaction.
- (b) Foreign currency monetary items are reported using the closing rate. Exchange differences arising on the settlement of monetary items or on reporting the same at the closing rate as at the balance sheet date are recognized as income or expense in the period in which they arise except in the case of liabilities incurred for the purpose of acquiring the fixed assets from outside India in which such exchange differences are adjusted in the carrying amount of fixed assets.
- (c) The premium or discount arising at the inception of forward exchange contracts is amortised as an expense or income over the life of the contract. Exchange difference on such a contract is recognized in the statement of profit and loss in the reporting period in which the exchange rates change. Profit or Loss arising on cancellation or renewal of such contracts is recognized as income or expense in the period in which such profit or loss arises.

1.8 INVENTORIES

Inventories are valued at cost or market value whichever is lower, as certified by the management.

1.9 REVENUE RECOGNITION

Revenue is recognized to the extent that it can be reliably measured and is probable that the economic benefits will flow to the Company.

Dividend income is recognized as and when the right to receive is established.

1.10 INVESTMENTS

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other Investments are classified as Long term Investments. Current Investments are carried at lower of cost and fair value determined on an individual investment basis. Long term investments are stated at cost, diminution in the value of long term investments is provided only when decline is other than temporary, in the opinion of the management.

1.11 ACCOUNTING FOR TAXES ON INCOME

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961. Minimum alternate tax (MAT) paid in accordance with the tax laws, which give rises to future economic benefits in the form of tax credit against future income tax liability, is recognized as an asset in the Balance Sheet.

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future. Deferred tax assets and liabilities are reviewed at each balance sheet date and are restated to reflect the amount that is reasonably certain to be released/ payable. Deferred tax assets and deferred tax liabilities have been set off wherever the company has a legally enforceable right to set off and the deferred tax assets and deferred tax liabilities levied by same taxation authority.

1.12 LEASES

Leases, where the lessor retains substantially all the risks and benefits of the ownership of the leased item are classified as operating leases. Lease rentals for assets taken on operating lease are charged to the statement of profit and loss in accordance with Accounting Standard 19 on leases.

1.13 EMPLOYEE BENEFITS

Employee benefits payable fully within twelve months of rendering the service are classified as short term employee benefits and are recognized in the period in which the employee renders the related service.

1.14 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

1.15 EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

1.16 MISCELLANEOUS EXPENDITURE

Preliminary expenses are written off over a period of 5 years.

INDEPENDENT AUDITORS' REPORT

To the Members of
DEVINE IMPEX LIMITED

1. Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **DEVINE IMPEX LIMITED** ("the Holding Company"), and its associate company (Tiara Jewels Private Limited) (collectively referred to as "the Group") comprising the Consolidated Balance Sheet as at 31st March, 2016, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein referred to as 'the consolidated financial statements').

2. Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of the consolidated financial statements in the requirement of the Companies Act, 2013 ('the Act') that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The Board of Directors of the Company responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities, the selection and application of the appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of consolidated financial statements by the Directors of the Holding Company, as aforesaid.

3. Auditors' Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Consolidated Balance Sheet, of the State of Affairs of the Group as at 31st March, 2016,
- (b) in the case of the Consolidated Statement of Profit and Loss, of the Profit of the Group for the year ended on that date, and
- (c) In the case of the Consolidated Cash Flow Statement, of the Cash Flows of the Group for the year ended on that date.

5. Report on Other Legal and Regulatory Requirements

As required by Section 143 (3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statement.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statement have been kept by the Group so far as it appears from our examination of those books.

- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of consolidated financial statement.
- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2016 taken on record by the Board of Directors of the Holding Company and the declaration of the management in the case of Associate Company, none of the directors of the Group is disqualified as on 31st March, 2016 from being appointed as a Director of that Company in terms of Section 164 (2) of the Act.
- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
- (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Group has disclosed the impact of pending litigations on the consolidated financial position in its financial statements as referred to in Note 2.21 to the financial statements.
 - ii) The Group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, and as required on long-term contracts including derivative contracts.
 - iii) No amount was required to be transferred to the Investor Education and Protection Fund by the Holding Company and associate company incorporated in India.

Annexure "A" to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended as of 31 March 2016, we have audited the internal financial controls over financial reporting of **DEVINE IMPEX LIMITED** ("the Holding Company") and its associate company which is companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company and its associate company, which are companies incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of the Management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets, that could have a material effect on the financial statements.

Inherent Limitations Of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedure may deteriorate

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and its associate company, which are companies incorporated in India, have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company and its subsidiary companies, which are companies incorporated in India, considering the essential

components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION OF ACCOUNTS

These financial statements are prepared in accordance with the Indian Generally Accepted Accounting Principles (GAAP) under the historical cost conventions on the accrual basis. GAAP comprises mandatory Accounting Standards as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Act (to the extent notified) and the guidelines issued by the Securities and Exchange Board of India. Accounting policies have been consistently applied except where a newly accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Associates are entities over which the group has significant influence but not control. Investments in associates are accounted for using equity method of accounting as laid down under Accounting Standard (AS) 23, 'Accounting for Investment in Associates in Consolidated Financial Statements'. The investments are initially recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of profit or loss of the investee after acquisition date. The Group's investment in associate includes goodwill identified on acquisition.

1.2 USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires the Management to make estimates and assumptions that effect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of financial statements and reported amounts of income and expenses during the period.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the consolidated financial statements in the period in which the changes are made and, if material, their effects are disclosed in the notes to the consolidated financial statements.

1.3 FIXED ASSETS AND DEPRECIATION

- (a) Fixed Assets have been stated at original cost, inclusive of inward freight, incidental expenses related to acquisition, financing cost till commencement of commercial production and related pre-operative expenses, less accumulated depreciation and impairment, if any.

- (b) Depreciation is provided on straight line method based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Depreciation for assets purchased/sold during the period is proportionately charged.

1.4 IMPAIRMENT OF ASSETS

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

1.5 ACCOUNTING FOR GOVERNMENT GRANTS

Government Grants related to specific fixed assets are accounted for on receipt basis. Grants received are deducted from the gross value of fixed assets concerned in arriving at their book value.

Grants related to specific expense are booked on accrual basis and deducted from the related expense.

1.6 BORROWING COSTS

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the statement of Profit and Loss.

1.7 FOREIGN CURRENCY TRANSACTIONS

- (a) Foreign currency transactions are recorded on initial recognition at the rate prevailing on the date of the transaction.
- (b) Foreign currency monetary items are reported using the closing rate. Exchange differences arising on the settlement of monetary items or on reporting the same at the closing rate as at the balance sheet date are recognized as income or expense in the period in which they arise except in the case of liabilities incurred for the purpose of acquiring the fixed assets from outside India in which such exchange differences are adjusted in the carrying amount of fixed assets.
- (c) The premium or discount arising at the inception of forward exchange contracts is amortised as an expense or income over the life of the contract. Exchange difference on such a contract is recognized in the statement of profit and loss in the reporting period

in which the exchange rates change. Profit or Loss arising on cancellation or renewal of such contracts is recognized as income or expense in the period in which such profit or loss arises.

1.8 INVENTORIES

Inventories are valued at cost or market value whichever is lower, as certified by the management.

1.9 REVENUE RECOGNITION

Revenue is recognized to the extent that it can be reliably measured and is probable that the economic benefits will flow to the Company. When there is uncertainty about measurement or collectability, revenue recognition is postponed until such uncertainty is resolved.

Dividend income is recognized when the Group's right to receive dividend is established.

1.10 INVESTMENTS

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other Investments are classified as Long term Investments. Current Investments are carried at lower of cost and fair value determined on an individual investment basis. Long term investments are stated at cost, diminution in the value of long term investments is provided only when decline is other than temporary, in the opinion of the management.

1.11 ACCOUNTING FOR TAXES ON INCOME

Provision for current tax is made, based on the tax liability computed, after considering tax allowances and exemptions under the provisions of the Income Tax Act, 1961. Minimum alternate tax (MAT) paid in accordance with the tax laws, which give rises to future economic benefits in the form of tax credit against future income tax liability, is recognized as an asset in the Consolidated Balance Sheet.

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future. Deferred tax assets and liabilities are reviewed at each balance sheet date and are restated to reflect the amount that is reasonably certain to be released/ payable. Deferred tax assets and deferred tax liabilities have been set off wherever the Group has a legally enforceable right to set off and the deferred tax assets and deferred tax liabilities levied by same taxation authority.

1.12 LEASES

Leases, where the lessor retains substantially all the risks and benefits of the ownership of the leased item are classified as operating leases. Lease rentals for assets taken on operating lease are charged to the statement of profit and loss in accordance with Accounting Standard 19 on leases.

1.13 EMPLOYEE BENEFITS

Employee benefits payable fully within twelve months of rendering the service are classified as short term employee benefits and are recognized in the period in which the employee renders the related service.

1.14 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions involving substantial degree of estimation in measurement are recognized when the group has a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

1.15 EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

1.16 MISCELLANEOUS EXPENDITURE

Preliminary expenses are written off over a period of 5 years.
